

Remarks

By the foregoing amendment, the phrase “blue-emissive” and “to an observer” have been deleted from claim 41-42. Claims 22-34, 36-39 have been cancelled. New claims 43-55 have been added to the application. Claims 43-55 are supported by claims 23-39. In addition, enclosed herewith is a Proposed Drawing correction adding the label “Prior Art” to Figure 5.

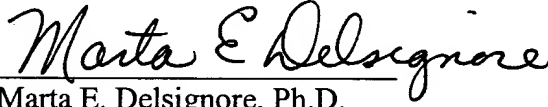

Claims 22-34, 36-39 and 41 stand rejected under 35 U.S.C. § 112, second paragraph as being indefinite. As noted above, claims 22-34, and 36-39 have been cancelled and claims 41-42 have been amended to delete the term “the observer.”

Further, the Office Action states the limitations imposed by the requirement that the electroluminescent device emit light which is blue to an observer is not clear. This term has been deleted from the claims.

In view of the foregoing claims 40-55, all the pending claims, are in proper form and in condition for allowance.

Prompt and favorable action is respectfully requested.

Respectfully submitted,
